SUPPLEMENTARY INFORMATION:

TITLE: Information on Meetings with Outside Parties Pursuant to Executive Order 12866.

ABSTRACT: Executive Order 12866, “Regulatory Planning and Review,” issued by President Clinton on September 30, 1993, establishes and governs the process under which OIRA reviews agency draft proposed and final regulatory actions. The Executive Order also establishes a disclosure process regarding the OIRA Administrator’s (or his/her designee’s) meetings with outside parties during formal review of a regulatory action if such meetings occur. In such instances, OIRA would disclose the subject, date, and participants of the meeting on the Reginfo.gov website, as well as any materials provided to OIRA at such meetings.

These meetings occur at the initiative and request of outside parties who request a meeting to present views about a regulatory action under OIRA review. These requestors may invite other outside parties to attend. OIRA invites representatives from the agency or agencies that would issue the regulatory action. If such meetings occur, OIRA does not take minutes during the meeting but would, however, post on RegInfo.gov any written materials provided by outside parties during these meetings, including the initial meeting request.

To help ensure transparency associated with meetings pursuant to Executive Order 12866, OIRA would collect—and then post publicly—the following information from outside parties that request a meeting with OIRA to present their views on a regulatory action currently under review:

1. Names of all attendees from the outside party or parties who will be present at the meeting. Each attendee’s organization or affiliation. If an attendee is representing another organization, the name of the organization the attendee is representing.

2. The name of the regulatory action under review on which the party would like to present its views.
3. Electronic copies of all of briefing materials that will be used during the presentation.
4. An acknowledgment by the requesting party that all information submitted to OIRA pursuant to this collection and meeting request will be made publicly available at Reginfo.gov.

OIRA welcomes any and all public comments on the proposed collection of information, such as the accuracy of OIRA's burden estimate, the practical utility of collecting this information, and whether there are additional pieces of information that could be collected from meeting requestors to further the disclosure provisions of Executive Order 12866.

Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; to develop, acquire, install, and utilize technology and systems for the purpose of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; to train personnel and to be able to respond to a collection of information; to search data sources; to complete and review the collection of information; and to transmit or otherwise disclose the information.

Please note that all public comments received are subject to the Freedom of Information Act and will be posted in their entirety, including any personal and/or business confidential information provided. Do not include any information you would not like to be made publicly available.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.
